Kia Ora Whanau,

We are excited to announce that our School Fun Run's Crazy Colour Day will take place on **Friday, April 11, 2025!** This vibrant event is not only a day of fun but also our major fundraising effort for much-needed sports uniforms and end-of-year camps. Be sure to keep an eye out for brochures that will be sent home with your tamariki.

About the Day

Crazy Colour Day is a highlight of our school calendar, filled with laughter and joy. We encourage all families to join in the excitement and show support for our youngsters as they participate in this lively event. Safety reminder: Please ensure that students do not go door-to-door or enter private properties without adult supervision.

How Does My Child Fundraise?

To get started, visit schoolfunrun.co.nz to create a student profile page. This will serve as your child's fundraising hub. Kids who raise **just \$10** will earn a prize, and the more they fundraise, the more enticing their rewards will be—check out the sponsorship form for details!

Online fundraising is encouraged, as students typically raise an average of **\$120** through this method. It's safer and simpler than traditional fundraising, eliminating the need to handle cash. By sharing their online fundraising link with friends and family via email, SMS, or social media, students can reach their fundraising goals with ease.
